GAA Bounce into Action.

Our 1974 girls' team had a winning season. They put together what they learned and proved it on the court. They went to Eastside for a 4-way invitational and lost the 1st game by 3 points. In the 2nd game they won by 20 points & scored in the 50's for the 1st time this year. By losing only one player, they have a good outlook for next year.

People Behind—the—Scene

The bus drivers that bring us here and take us home.

The cooks that prepare our daily lunch.

The custodians that clean-up our mess.

These People Keep the School Going.

Churubusco High School and Elementary students will complete their first full year in the new and remodeled school. It has been a long awaited moment to be in this new school with all of its new facilities, but if it had not have been for the administration and the school board we could not have had this. It has been a confused year for everyone as they tried to get use to the new surroundings, but next year things will be easier.
